WELCOME TO YWCA CHILDCARE

Thank you for choosing the YWCA for your childcare needs. YWCA childcare programs were established to provide structured and supervised enrichment activities for children.

We are dedicated to providing quality care for your child. You can help by:

- **reading this handbook & keeping it handy throughout the year;**
- visiting your childcare site to learn about their daily routine; and
- meeting your child's teachers and other staff and providing them with knowledge about your child's interests, fears, routines, frustrations, etc. The on-site staff spends many hours a day with your child. The more they know about your child, the more individualized care they can provide.

YWCA staff is always willing to talk with you. You can call one of our Childcare Directors any time (numbers listed on the opposite page) or call our main number at (806) 993-9922 to speak to a supervisor.

Parents will be notified of changes to any policies or procedures in their program through notices in newsletters and a new handbook annually. *746.501(a)(6)

AT A GLANCE

A brief summary of the most commonly referred to policies

- Payment is due every Friday (if applicable) for the upcoming week (in advance). Your account will be suspended until payment is received if tuition remains unpaid. An alternative form of childcare will need to be arranged during this time. Once payment is received, your care will continue as normal.
- Mini camps have limited space. It's advisable to register in advance. Payment for mini camps is due within 24 hours of receiving your invoice after registration. If payment is not received, your registration will be canceled.
- Each YWCA childcare program requires a separate enrollment. Enrolling in one does not enroll you in another. (Example: enrolling in the after-school program does not enroll you in mini camps.)
- The YWCA **does not offer** drop in care services. Once enrolled, payment is due weekly, regardless of attendance until a withdrawal form is received by the YWCA. If your child will be absent for a full week, you may fill out a vacation request, in advance, to have tuition reduced to \$75 (per week) holding fee.
- You must submit a withdrawal form if you wish to stop using any of our childcare services. For full credit, the form must be submitted seven (7) days prior to your intended last day of care. The withdrawal form can be found here: <https://www.ywcalubbock.org/resources-and-forms/>. Phone calls and verbal notices to staff will not be considered as notice of termination. **BILLING WILL CONTINUE UNTIL A WITHDRAWAL FORM IS RECEIVED BY THE YWCA.**
- Parents are responsible for notifying the YWCA of any and all changes (e.g. phone number, address, authorized pick up persons) to their account. Submit all changes to finance.ywcare@ywcalubbock.org.
- Allergy Forms- If your child is allergic to certain foods or other allergens, you must list them on the enrollment form. State licensing regulations require documentation from your pediatrician stating the type of reaction your child will experience and an action plan for staff to follow in the event your child encounters an allergen.
- Medication Forms- If your child requires medication that must be administered while your child is in our care, please complete a Medication Form. Medication must be in the original packaging and accompanied by the prescription. You can obtain the Medication Form from your child's YWCA teacher or from our website, ywcalubbock.org.
- Please do not send any toys or electronics to care with your child. The YWCA is not responsible for lost or damaged property.

Staff Training & Ratio

Each member of the YWCA childcare staff receives at least 30 hours of childcare training annually and is certified in first aid and CPR. All YWCA childcare programs maintain a child to staff ratio that is lower than the state ratio requirements.

Verbal Communication

We encourage you to talk with your child's director or teacher on a daily basis to find out about your child's day achievements, behavior, mood, concerns, friends, etc. Please **refrain from using technology on site** to help facilitate better communication between parents and your child's teacher.

Questions and Concerns

You may call the YWCA to speak with your child's teacher to discuss any concerns or questions. A contact list of all program director's phone numbers may be found on the inside cover of this handbook. To alleviate a complaint or concern, a conference call can be set up between you and the YWCA Division Director. *746.501(a)(20)

Parent Involvement

You are encouraged to be involved by:

- sharing your knowledge, talents, hobbies, etc., on-site;
- visiting the site at any time within the YWCA's hours of operation so your child can share with you his/her day, routines, activities, friends, etc. No prior approval or appointment is needed *746.501(a)(21),(b)(1)

Upon enrollment, it becomes the responsibility of the parent/guardian to provide the Preschool with information about changes to:

- Home address and phone number,

**Does not apply to Head Start or Early Head Start

YWCA Childcare Pick-Up Policy

Children will only be released to persons authorized by the parent/guardian AND who show appropriate picture identification. These persons must be listed on the enrollment form. It is the parent's responsibility to inform staff of any changes to this information. Your child may not leave with a sibling, friend or relative not on the list without your prior written notification. Please understand, **THIS IS FOR YOUR CHILD'S SAFETY. YOU MUST** bring your driver's license with you every day, as new or substitute personnel will need to make this check, before releasing a child. *746.501(a)(2)

Water Activities in the Summer

Water activities are part of the regular curriculum during the summer. In order for your child to participate, be sure to mark our approval on the enrollment form. Participation in special events can be suspended due to behavioral issues. Parents will be notified 48 hours in advance of water activities such as splashing or wading pools and sprinkler play. Parents should provide appropriate clothes and a towel marked with the child's name. *746.501(a)(15)

Personal Items

Children may not bring items from home to play with. This includes but is not limited to stuffed animals, cars, trading cards, slime & fidget spinners.

Check lost-and-found often and always immediately after an item is noticed missing. Because items like jackets and sweaters are often lost, misplaced or missing, we strongly suggest adding your child's name on these items. The YWCA is not responsible for lost, damaged, or stolen items.

Weather Policy

There is a possibility the YWCA will delay or be closed during inclement weather. Notices of closures will be announced through multiple means of communication such as the YWCA website, ProCare app and our Facebook and Instagram pages.

Meals & Snacks

Nutritious meals (breakfast, lunch and snacks) are served to all children enrolled in Preschool,. Snacks are provided for after-school care. YWCA childcare programs receive federal funding to serve meals that meet nutrition requirements established by the USDA's Child and Adult Care Food Program (CACFP). If you have any questions or concerns about food service, please contact us.

- Children with food allergies must have a written statement from their physician that includes the food(s) that should not be served to that child, the type of reaction the child has to the food, and an Action Plan detailing steps the YWCA will take should your child come in contact with the food. The center will make appropriate substitutions for any food that a child cannot be served, though options may be limited.
- We are a nut free facility.
- We welcome the celebration of birthdays for children while in childcare. We also celebrate various holidays throughout the year with class parties. When providing food for any special event, please remember that these **MUST** be commercially prepared. Foods to be shared with all children must come to the Center in commercial packaging, with an ingredient label. This is to prevent a child from being served something to which they are allergic.

Because the snacks are provided with funding from a federal program, U.S. Department of Agriculture policy prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and, where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD). To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW, Washington, DC 20250-9410, or call (800)-795-3272 (voice) or (202) 720-6382 (TDD). USDA is an equal opportunity provider and employer. *746.501(a)(10)

Gang- Free Zone

YWCA childcare sites are gang-free zones. Under the Texas Penal Code, any area within 1,000 feet of a childcare site is a gang-free zone. Criminal offenses related to organized criminal activities are subject to harsher penalties.*746.501(b)(2)

Smoking Policy

Smoking and vaping are NOT allowed either inside or outside center premises, or on field trips, by either YWCA staff or parents/guardians.

* Numbers in parenthesis throughout the handbook refer to the licensing minimum standard that must be referenced in a program's policies.

Social Services

The YWCA of Lubbock is committed to helping community members in times of need. If you need assistance with parenting skills, legal issues, medical, emotional or physical issues, you may contact the Center Director or another YWCA staff member for support and information.

Animals

Parents will be notified in writing when animals will be present. Staff will ensure that animals do not create unsafe or unsanitary conditions and are not handled by children if the animals show signs of illness such as lethargy or diarrhea. Documentation of vaccinations and a statement of health from a local veterinarian will be maintained for dogs, cats, ferrets and other animals except small rodents such as guinea pigs, mice, and hamsters. Children will not have contact with chickens; ducks; reptiles such as snakes, turtles, and lizards; and amphibians such as frogs and toads. *746.501(a)(17)

Conflict of Interest

YWCA employees are not allowed to perform any services for parents on non-working time that they normally perform during working hours. This means that staff cannot baby-sit children that are enrolled as clients in any YWCA program.

Custody of Children by Court Order

Parents/guardians are encouraged to speak with YWCA staff regarding custody or other court orders affecting child(ren). If a court order exists involving your child(ren), please bring the official, certified court order so that staff can make a copy and file it. All court order documentation is kept on site, in a file specific to each child. We cannot take an individual's verbal or written instruction that violates the terms of a court order. If the court order changes, you must provide a copy of the new court order so that we can meet the judicial terms. Once the orders expire, new ones must be provided. YWCA staff will follow the most recent court documentation provided to us.

YWCA of Lubbock permits individuals who have visitation rights to be at the facility during the visitation period established in the Court Order. We cannot allow visiting parents to be at the facility if their presence conflicts with the Court Order. Please be advised that we will not accept the responsibility of supervising visitation.

Sleep Safe

The YWCA follows the Safe Sleep practices set by the Texas HHSC for all children ages birth through 12 months of age. Parents of children enrolling at the YWCA within this age group are provided additional documentation upon enrollment. *746.501(a)(9)

* Numbers in parenthesis throughout the handbook refer to the licensing minimum standard that must be referenced in a program's policies.

Immunizations, Tuberculin Testing, Hearing & Vision Screening

Children's immunizations must be kept up to date. You must certify on the enrollment form that immunization records, tuberculin testing results, and vision and hearing screenings are on file at your child's school and provide the school's name, address, and phone number. After-school and Summer Camp do not require any vaccinations for employees to be employed and work directly with children. However, the YWCA will offer and encourage flu vaccines to all employees who would like one. At this time the region does not require TB testing for employees.

*746.501(a)(11)(28)

Medications

If your child will require medication while at a YWCA childcare program, the medication must be in the original container, be labeled with the child's name and date, include directions to administer the medication, and, if prescribed, with the name of the physician. Early Head Start and Head Start will also require a doctor's note. Staff will only dispense medication if the parent has completed and signed a Medication Form. Medications taken twice a day should be administered at home, before and after care. Over-the-counter medication must be given as stated on the label directions or as amended by a physician with your written permission. Please complete a medication authorization form. *746.501(a)(4)

Illness

If your child is ill with fever, vomiting, lethargy, breathing difficulties, rash, symptoms of a communicable disease, or is unable to participate comfortably in activities, the child cannot attend YWCA childcare. Should your child become ill while in our care, we will call you to pick up the child immediately. Please keep the phone numbers on your child's enrollment form current. Every effort will be made to keep your child comfortable until your arrival. In case of onset of a critical illness, we will seek immediate medical attention from the physician listed on your child's enrollment forms and contact you immediately. *746.501(a)(3)

Emergency Care

Every staff member receives training in first aid and CPR. For minor emergencies, we will provide first aid and contact you immediately for further instructions. For major emergencies, our staff immediately will provide first aid, contact 911 for medical response, and call you to advise where the child has been taken for care. Medical care is YOUR financial responsibility. The YWCA maintains liability insurance only to cover injury due to negligence. *746.501(a)(5)

Vision and Hearing Screening

The Texas Department of Health requires that children over the age of four (by September 1), who are enrolled in licensed childcare, receive screening tests for vision and hearing. The Texas Department of Family and Protective Services licenses each YWCA Childcare site as a childcare center. The minimum standards for Licensed Child Care Centers are available at each site for review as well as the most recent licensing inspection report. You can also find it here: <https://www.hhs.texas.gov/sites/default/files/documents/doing-business-with-hhs/provider-portal/protective-services/ccl/min-standards/chapter-746-centers.pdf>

You may contact the local licensing office by calling (806) 698-5510.

All YWCA childcare staff receive annual training on preventing and responding to child abuse and neglect. This includes spotting the warning signs and factors indicating a child may be at risk. Staff is obligated to report any suspected child abuse to Child Protective Services. If you suspect a child may be experiencing abuse please call the TDFPS child abuse hotline at (800) 252-5400 or you may visit TDFPS online at [https://www.dfps.state.tx.us/Contact Us/report_abuse.asp](https://www.dfps.state.tx.us/ContactUs/report_abuse.asp). *746.501 (a)(22)(23)(26)

In an emergency, the children and staff will be relocated to a safe location. Families will be notified that children have been moved and given the location to pick up their child. In the event that an actual emergency does not allow us to relocate children, families are asked to cooperate with instructions provided by the YWCA staff. *746.501(a)(24)

Purpose

This plan is to ensure the safety of all children during an emergency.

Communication

In the event of an emergency, always call 911 first. A list of emergency phone numbers is also posted at each center.

Once the children are safe, staff will call the director and every child's parents. The director will contact Child Care Licensing.

Evacuation

It is very important that the following items stay with the children at all times! It is the Site Director's responsibility to ensure these items remain with the children.

1. First Aid Kit
2. Children's records (emergency contact info, authorization for medical care, etc.)
3. Roll sheet

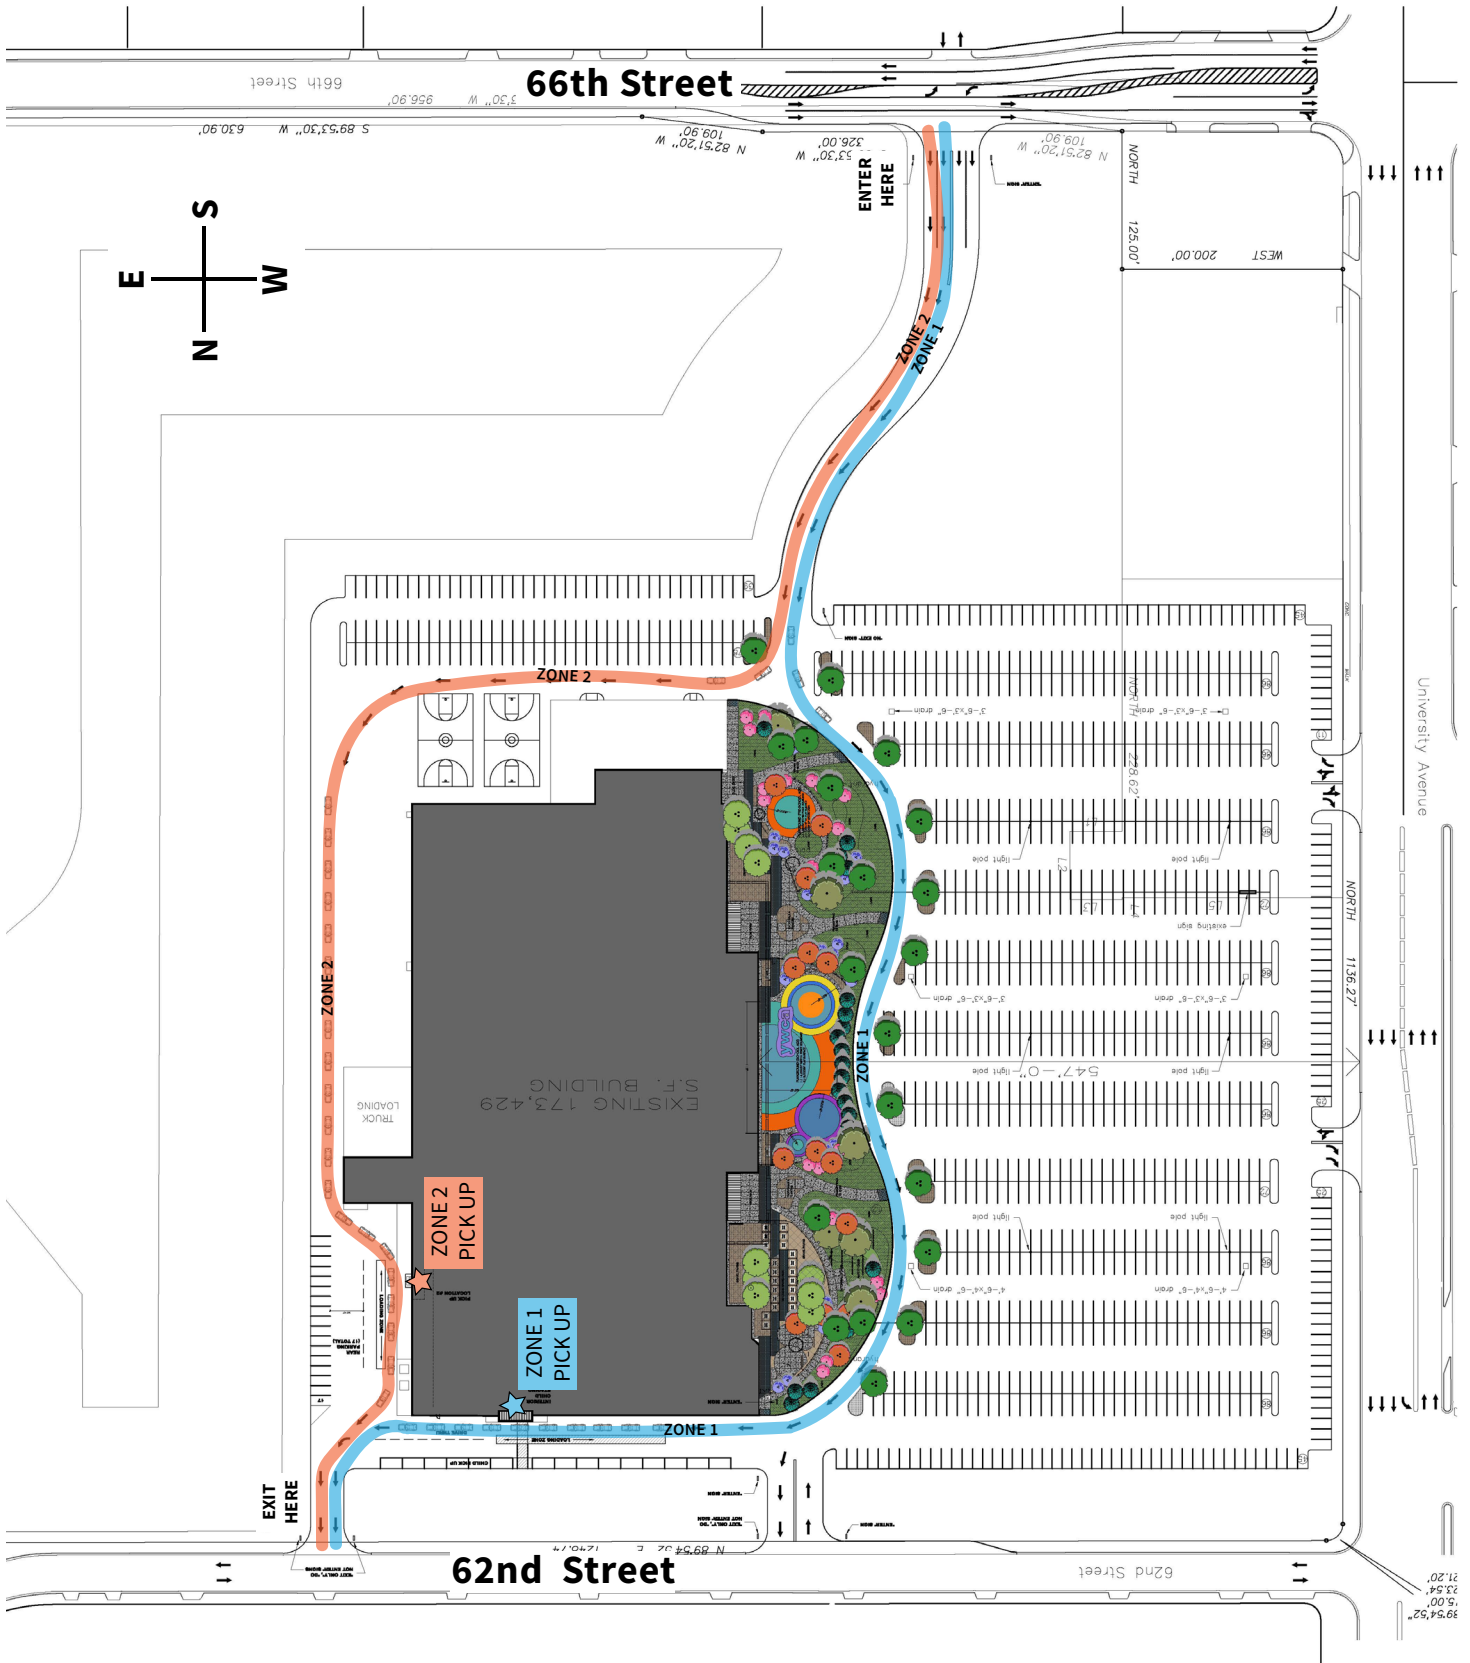

FIRST PRIORITY

In the event of an emergency, all staff should focus their attention on getting the children to the proper relocation areas.

Emergency Exit Map is in every room/site binder.

All relocation areas are clearly marked on the emergency exit maps.

YWCA on UNIVERSITY

1. Safely evacuating all children is the number one priority of staff during any emergency. These guidelines will be followed:
 - Evacuation for fire, chemical spill, dangerous persons or other unsafe building conditions will all be the same. Children will be taken to the spot designated on the posted evacuation plan until all children are safely out of the building.
 - Staff will also be responsible for taking their classroom's emergency information notebook out of the building during any evacuation. In this notebook there must be a form for every child with an emergency phone contact information and signed parent authorization for emergency medical care.
2. Relocation of children to a safe area will be governed by these guidelines:
 - After evacuation, all children will be relocated to the YWCA Marquee and will wait with staff until parents arrive or children can be safely relocated back to the center.
 - After a tornado or other severe weather emergencies, children will remain at the center, unless the center can no longer safely be occupied. If this occurs, children will be relocated to the Trinity High School gym.
 - All staff will be expected to remain with the children until it is safe to return to the center, or until parents have arrived.
 - Trinity High School is located at 6701 University Avenue, Lubbock, TX 79413.
3. Communication for assistance will be as follows:
 - Emergency personnel – fire, police or ambulance – will always be contacted immediately by calling 911.
 - o The Texas Department of Family Protective Services (licensing) will be contacted at (806) 698-5510.
 - o Parents will be contacted as quickly as possible by YWCA staff by either land or cell phone, using the emergency information provided by staff.
